

Pelsall Carnival

Volunteer Marshal / Steward

Thank you for expressing an interest to assist us at Pelsall Carnival. We are always in need of volunteers who can assist in the general operational tasks necessary to make the event a success.

We ask that you fill in your details below, giving an indication of the times you would be available. Bear in mind we start on the field on Friday and finish with the clean up on Sunday morning, and we need assistance throughout these times. We have personnel working on the showground, Carnival day, from 1st light at around 4.30 am, and the last to leave is around 8.30pm. Any help you are able to offer within these times is appreciated.

We will require you to attend a safety briefing before the event where we will discuss the roles of volunteers, and their duties to comply with health & safety legislation; – the date will be advised.

If you have any skills that you feel may make you suited to a particular role, or have a current CRB please indicate in the appropriate section.

Please return completed form to me, Mr S Swain, 22 Millers Walk, Pelsall. WS3 4QS

Many Thanks

Steve Swain
